THE VIRTUAL PROCESS

Since cards are distributed via email, relief payments can be sent to any number of recipients.

STEP 1: User receives an email.

STEP 2: User logs in to view their card balance and more.

STEP 3: User spends their funds online quickly and easily, no need to leave their home.

STEP 4: Users can download the TruCash Wallet app for bill payments, transfers and more.

BENEFITS

THE PERFECT GIFT EVERY TIME

Our cards can be used at millions of online merchants worldwide.

SEAMLESS PROCESSES

Funds are distributed electronically, allowing ease of monitoring and providing accurate records.

QUICK AND EASY TO USE

Funds can be loaded instantly in real-time allowing cardholders access to funds.

ADVANCED REPORTING

Customized reporting provides insight into program trends.

COST EFFECTIVE

Payments are effortless, and cost less than cheques.

MOBILE ACCESS

TruCash Wallet allows access to card balance, transaction history, and more.
